Back Book Cover Excerpt

"I have been shot in the chest, had a heart attack at 30, almost died in childbirth, and unknowingly married a married man; however, my most challenging life lesson was learning how to heal childhood trauma and debilitating beliefs so that I could attract a healthy, whole, loving relationship – and do it as a single, divorced mother of two! After extensive research on dating and relationships, in search of the secrets of attracting love, my life transformed when I went on a spiritual, self-healing journey while applying the advice in this book so that I could attract the right man God selected for me."

Shay 'Your Love Diva' helps professional women and men get the love they deserve without taking forever to do so. As a mom and wife, she is a passionate promoter of love.
